

## **EXTRAJUDICIAL KILLING**

Miko B. Faustino

School of Criminal Justice

Universidad de Zamboanga

Zamboanga City, Philippines

Many people suffer from the economic crisis including innocent, this is a vital factor of environment. Some reason why the elements of killing are still present in our country which is the biggest question that no one can answer. Justice? That is the only answer of the government. For a previous and past century, justice is the only way for the peace. But how can we attain the justice if the government is the author of extrajudicial killing. For some reason why all over the cases that occur are not soled and it turn to be a pending cases. People of the Philippines are left behind over the occurring circumstances in the system of the government. Due to the taking advantage of their position, they can do anything and they do not follow the role and ordinances of the law which is the one factor of extrajudicial killing. As a result of this extrajudicial killing many of our beloved citizen of this country affected, it is because of the system of the government. They are only more on oral and not in action. In our country, we have already experience this kind of activities but the problem is we are not aware of the involvement in social realities that we experience and suffer from the government were taking advantage of their position. People of the Philippines, wake up to the realities occurring in our society and voice out what you hear and see, to be able to attain the peace and order in our country. We must be aware and pursue what is true. Filipino citizen, we need to be alive. Fight those who destroyed our integrity. As a Filipino, we should have union in our country. We must cooperate in order to attain our peace and order in our beautiful country. Be one of us for a new Philippines.
