

EXTRAJUDICIAL KILLINGS

Patacsil, Ellen Grace C.
BS Criminology
Universidad de Zamboanga
Zamboanga City, Philippines

All of us have a different opinion regarding the effect of Extrajudicial Killings. Nowadays, with what's happening in our country, many people are involving and committing crimes. The main reason behind this is money. Especially, underprivileged people are the ones committing this crime. Sometimes they are hired to kill people. And powerful people are taking advantages of this.
