

## **EXTRAJUDICIAL KILLINGS**

Saji, Adshar M.  
BS Criminology  
Universidad de Zamboanga  
Zamboanga City, Philippines

The difficult thing about extrajudicial killings is that you cannot tell or identify who the killer or suspect is. There are so many cases of extrajudicial killings are not yet solved. Because there are no witnesses that want to testify. Because they are afraid that something might happen to them and to their family if they will testify.
