My stand with regards to the police and military abuses police management is the act or manner of administering controlling conducting or a police it means getting the operation and the military because coordination of human beings so ask to obtain effective result with people it also known a personnel administration. The military is to protect to all happened and the any others barangay or city country under the killings in our society in observation others people as the police man authority is the right to direct and control base upon the law. It is there for legitimate power is the force or means by which authority is executed the ability to carry out authority and to direct the behavior of other police and military member or officer under of the law.

I stand through my principle and a man with dignity and loyalty to my duties and bring those criminals to justice and those who disobeying law humanities and taking advantage by using their degree should eliminate from their position.
