First the students in school of Allied Medicine mostly their hair both girls and boys are highlight, they can allow to enter the campus without the warning of security guard but some cannot allow to enter the campus because the security guard doesn't allow.

Second the rooms even though there is a camera some security guard doest allow the student to stay if the student doesn't have the class in that room.

Third, our coordinator is you have a problem hen you face and approach her she can entertain you but mostly her attitude if there is one who came and interrupt you she no longer entertain you instead the person who interrupt the one she surely entertain just because she know the person or student.

Why is it some teacher in the class are not allow the student to excuse is the student have fever unless they have medical certificate but how if the student cannot afford to have medical certificate why is it they don't have consideration.

In Bazar some customer just have windows shopping but why the security guard look and fell the costumer to send out.
