

HUMAN RIGHTS

Dagohoy, Archie James F.
BS Criminology
Universidad de Zamboanga
Zamboanga City, Philippines

Human rights, it is a law has to be implemented by the government to its constituents. The government implements the human rights for the protection on its citizen. Every citizen has the same rights, rich or poor. People have different status in life but they have the same rights as stated by the law. For those who abuse the rights of a person, should be punished and be jailed.
