### **“World Peace”**

“Peace is the only way”. This slogan can be seen anywhere in Philippines and indeed it is time. To achieve peace that we deceive must require continuous cooperation among nations world peace has been the main objective in every nations.

However, to gain such globally concept of peace we should think first, whether the “peace” is already practiced individually, in family and community as well. Let’s appreciate and value the goal deeds among us. Let’s believe that though some places are struggling to survive due to wars, we can still be able to maintain the peace that we have.
