A Human right is very important for us. Each of us has the right to do everything we want. Like for example the students want to color their hair, then when the time they will enter the campus the school will not allow them to enter the campus because of their hair. And also the student here in UZ they want to use sleepers but they don't also allow the students to enter the campus just because of their sleepers, but in the other school, even if it is a sleeper they will allow the student to wear it inside the campus.

The other also complaining if why they don't allowed using flat shoes? And why it is required to wear high hill? It is unfair because the other teachers are allowed to wear flat shoes but they are not allowed to use it.

Here in UZ there's a lot of student complaining about the comfort room students want to have a new and clean comfort room. But the school
