The military and police were known or very popular using the brutality because many of them abuse their authority. For example, the vendors in the sidewalk and the military or police officer destructing by using force to destroy what the vendors are selling because the vendors don't have permits to sell in the sidewalk. The police officer is also known using brutality in the jail, many person complaint brutalities in the jail.

Brutality is not the way of the officer to do her job because there are many civilians kill they are doing these duty to serve and protect the people. It is very brutal. The rights of people because they have a law to depend his rights in the court. Many of victim of the military or police brutality are innocent.
