

## **POLICE AND MILITARY ABUSES**

Hasan, Musimar M.  
BS Criminology  
Universidad de Zamboanga  
Zamboanga City, Philippines

I think police and military abuse is fair because sometimes they have to do warrantless arrest for their safety. Being a police or military is living in dangerous life. We have to be alert all the time and be ready for any difficulties that will come along the way. We have to be prepared and most of all to be intelligent in any situation. Warrantless arrest sometimes helps us police in arresting hard criminals especially big syndicates. But sometimes they are misunderstood as police abuse.
