Human Rights is a Human Policy, which guided by law. You can claim your rights if you know you didn't violate any person's rights. To live harmoniously we should do what is right and what is good not only for ourselves but for the betterment of all. Human are intellectual creatures created by God. Its capability to think and understand its environment is it's functioned. Human being is created to connect with each other, to communicate, in that people should live amicably. No man is an island, true. In that we should respect each other rights and enjoy the privileges' God given gifts to humankind.

Adam and Eve is our beginning, now we are living in a fast changing world. High technology, new inventions, new discoveries. We use these things for our advantage but not to forget is these also good for others. There are advantages and disadvantages, we should balance it.
