Universidad de Zamboanga
Zamboanga City, Philippines

As a student we have a right of freedom. As a student we are free to do what we want. For instance in a classroom, we are free to ask question to the professor during the discussion or even outside with our friends. As a student we have the rights to choose a school that will educate us. And also we have the rights to decide in our own, we also have the rights to express our feelings to the person whom we trust.
