Humans have the rights such as the right to live, the right to education, and the right to vote a good leader.

Right to Live

- We have the right to live, to enjoy life, and our existence to be valued and give importance.
- It is a phrase that describes the belief that a human being has an essential right to live, particularly that human being has the right not to be killed by another human being.

Right to Education

- We have the right to learn, to gain knowledge, and to know everything about life and science.

Right to Vote

- We have the right to elect a good leader, and it has been limited to people who had achieved a certain level of education or passed a certain test.
