Save the children and fight for their right to protection. It's all about children and their rights to live and to have a good life by their parents and family or even they have no family or they live alone, abandoned by their parents, they still have a right to live in good life. Children has no ability to do more things, they have so many needs especially the love and care?

Child protection is a part of safe guarding and refers to the activities undertaken to protect specific children who are suffering significant harm. There are some parents may not be able to cope with stress resulting from the changes and may experience difficulty in caring for their children.

There are some people who are responsible for helping those children have no family which is the street children and those children are suffering or at a risk of suffering significant harm.
