Peace should start with in our selves love and respect for the dignity of others. Must be considered love one another be an advocate for peace, there will be no hope for the better future of our children, who suffers from war.

World peace is peace in the world we need to be friendly to others love each other so that we fulfill our goal that goal is to have a world peace. This can be achieved by writing, cooperation and doing the obligations, following the rules and regulations beginning at home to the community society and of the world.
