

Human Rights

Fatima Anniza Lakkian
Certificate in Respiratory Therapy
School of allied Medicine
Universidad de Zamboanga
Zamboanga City, Philippines

Human Rights are the right of a person to gain respect. We have the right to be heard, right to be free and the right to know what is good for oneself. Peace in my own words is love because without love there is no peace. Peace is where silence strikes and is everyone's dream.

Human rights are the right to self determination, the right to authority and most especially the right to be treated as a human physically, emotionally and spiritually.
