

Human Right

Rakma Abdulla

Bachelor of Science in Radiologic Technology

School of Allied Medicine

Universidad de Zamboanga

Zamboanga City, Philippines

Each individual have their right to fight what is right. Just like us students, we have the right to read, write and learn from our teachers who teaches us to gain more knowledge and not become ignorant in this country. We also have to share our ideas and thoughts regarding the activities we are given.

As a person, I have to respect my parents and those people around me. I also respect those who belong from different cultures because each has the right to have freedom.
