In this world human rights reigns. It is very important to each one of us. Because of human rights many people live life to the fullest and also because of it some people abused it. Human right is a basic standard that a person needs to live a life with dignity. In this world where human rights reigns person should be recognized as a person, respect as a person and accept as a person.

In accordance to articles 3 right to life, people must live their life to the fullest and they have human rights wherever they are and whoever they are. People must remember that human right is not a threat to everyone but instead it is a framework for action where people are empowered to change their lives and the lives of the people in their society. Being aware of our human rights comes the responsibility of being a true person and protecting our dignity and of others.
