It is every country to attain peace harmony and understanding among citizens of the universe. There is peace in the world. There is unity and almost everything will follow like, progress and success in every human endeavor, the Philippines in particular, now behind the Asian neighbor principally because of peace and order problem.

However to maintain world peace cooperation of many countries in the world is in deal needed. There must be a harmonious relationship of all men in every corner of the earth. The main reason distracting world peace is terrorism. It is evident that the most progressive countries of the world like the United States, Japan, South Korea, United Kingdom, and Saudi Arabia are all successful progressive because there is peace in every country that mention.

If there is peace in the world, the people will have unity and love.
