World Peace

Rusaina D. Mohammad
Bachelor of Science in Respiratory Therapy
School of Allied and Medicine
Universidad de Zamboanga

Peace is the beginning of love. Each individual must have peace within us, because without this there is no room for love. For me, peace is very important because with this, we can live happily in this world.

Each individual may have peaceful mind if there is peace within him. When there is no peace, the world may become worst and no room for happiness. I would love to have a peaceful life for if we have peace, our lives are not stressed.
