

## **HUMAN RIGHTS**

### **ALPHA SALAHUDDIN**

School of Education, Arts and Sciences  
Universidad de Zamboanga  
Zamboanga City, Philippines

They are Rights because they are things you are allowed to be, to do or to have. These rights are there for your protection against people who might want to harm or hurt you. They are also there to help us get along with each other and live in peace. Many people know something about their rights.

1. Right to vote – We have the right to participate in the election of our country. So in voting we have the right for choosing the right person we want to put in that position, so vote wise.
2. Right to life – We as human being we have the right to born in this world. When the mother begin to pregnant. From that moment the unborn child is considered a subject or they have right to born in this world. They have basic human right to life. In short once conceived a child has a right to be born.
3. Right to marry and to start a family – We have the right to marry and to have family, every human want to have their own family because they want children in their life.
4. Right to equal treatment –Allcitizens must be treated equally and cannot be discriminated against on the grounds of nationality or sex. Many people discriminate the other religion they don't gave respect on it; we have the right to depend our religion.
5. Right to respect for private and family life –We have the right to have peaceful life, no anyone can destroy our private life, and we have the right to do this.
6. Right to complaint in any food fast – We have the right to complaint in any food that we think this is not right to eat so that the management knows what happening to the costumer.
7. Right to have personal lawyer – We have right to have personal lawyer because if we any document want to became personal to as they are the one to do that to became legal. The lawyer is one who protect as in any who want to get our property. they are the one who authorize to do that such thing.
8. Right to educate – We have the right to have education so that we know how to read and write, if we are finish school we have a better future. Our parent is responsible to send as to school, this is our right.
9. Right to democracy – Everyone has the right to equal access to public service in his country. We have the right to know what happening to our money in the government. Know what bad thing they do in our country.
10. Right to have personal property – We have the right to have personal property because the right to choose what property we want. No one can dictate as.

There has many more right in our country that supports our personal right. So we should know our right so that we can protect our self...
