

## **Human Rights**

**Rizza Lyn Arcillas**

School of Education, Arts and Sciences  
Universidad de Zamboanga  
Zamboanga City, Philippines

Human Rights to have justice- Everyone has the right to have justice of whatever incident happen especially life threatening.

Human Rights to have freedom- After proven that he/she not guilty of the crime charge against him/her.

Human Rights to have love- Especially to husband and wife should have a love.

Human Rights to have respect- Have the right to respect one's or other decisions.

Human Rights to have protection- Witness protection if in case he/she stands as witness to a certain case file in the court.

Human Rights to help others- Everyone has the right to help others in case of difference problem because as a human we also need to help and protect other if we know that he/she has the right.

Human Rights to be Educated- As a human or a person we need to be educate. This right is for everyone. It is important to have a degree so that in the future we can easily find or have a stable job.

Human Rights to have good health- Everyone need to eat and have a balance diet.

Human Rights to lived- These rights are inherent to the person and belong equally to all human being regardless of their race, colours, sex, language, political or other opinion, national or social origin, property, birth or other status. Give land to the landless.

Human Rights to vote- As a person we have the right to vote not just only right but obligation for everyone to choose who will be capable for the position.
