At the time of Rizal, the Spaniards leads the Philippines. The Spaniards were so cruel and they controlled the right of the Filipino people. The Filipino people had no right in their life because the Spaniards want that the Filipino will follow them and they made them slaves.

The Filipino had no right to do what they want to do because they are being controlled by the Spaniards and who ever violate it they will be punished. Spaniards treated the Filipino as a idiot and stupid because of our national Hero that definitions to us was changed and bring back our rights.
