Universidad de Zamboanga  
Zamboanga City, Philippines

Is a law were innocent victims files complain from harassment, especially they are victims from persons in authority.

This law has something to do with the life of the people that everyone has the right to live equally whatever races you belong you will be protected by this law.

Human rights is a right granted to every persons under the constitution whereby every person has the equal protection of the law in the right to life, liberty and property.
