The right of every individual to relevant quality education regardless of sex, age, breed, socio-economic status, physical and mental condition, social or ethnic origin, political and other affiliation. The State shall therefore promote and maintain equality of access to education as well as the enjoyment of benefits of education by all its citizens.

Every child with special needs has a right to an educational program that is suitable to his needs. Special Education shares with regular education basic responsibilities of the educational system to fulfill the right of the child to develop to his full potential.
