

## **HUMAN RIGHTS ACCORDING TO EMPLOYMENT**

**Manubay, Myrtel B.**

BSBA

College of Business Management

Universidad de Zamboanga

Zamboanga City, Philippines

Every person has the right to work to be able to afford the needs and want in life and to become a responsible person.

The government should implement a 'JOB FAIR' in order for our countryman to have a stable job. Because, more of our countryman are unemployed.

They government offices and private offices should give a fair treatment when someone applying for job in the particular offices and give the rights benefits in their employment.
