

## **People with Peace**

**Sitrina H.Anuddin**

School of Allied Medicine  
Universidad de Zamboanga  
Zamboanga City, Philippines

People having peace to each and everyone and to somebody or anybody, as we know peace is very important to each other and also to our country around us. They should be having peacefully in our mind and think our future of our life. We need to know each or communicate to each and everyone. For me peace is one of the most needed and important. As long as we understand each other, respect each other we will have a very harmoniously life here on earth.
