When we rise in the morning and listen to the radio or read the newspaper, we are confronted with the same sad news: violence, crime, wars, and disasters. I cannot recall a single day without a report of something terrible happening somewhere. Even in these modern times it is clear that one's precious life is not safe. No former generation has had to experience so much bad news as we face today.

Reason that makes World peace almost impossible is the envy between people. Envy is killer things that people have in their minds to destroys other personal life.
