WORLD PEACE it is an experience of joy, happiness, love and unity in the world. As we all knows world peace started in the origin of the creation of God. Heaven and earth were not created of uneasiness and fear, but they are created with joy, happiness and satisfaction. That is why God's joy can be found at the place where we are connected heart-to-heart with Him. Even it is satan's hangout. The re-creation begins at the place where God feel joy through us. The moment we receive the graces from God. The people feel joy surging and flowing in his soul. World peace certainly help to rejuvenate better thoughts among people. Hatred and violence has taken over the world's peace atmosphere. It is necessary way to enlighten the minds of the people and to broaden their views. Once people start to understand each other they would begin to developed a high viewpoint about other. As we learn to respect other natures and their culture, every situation in our life are mainly aspect that we develop to become mature enough and bring us to be self-respect and we are valuing every individuals too. Keeping our attitude calm and peaceful help us to turns to make a decision making into non-aggressive. To reduce conflication we should avoid anger and hatreds towards other religions, culture, civilizations, status and countries.

In the first place we most own peace in our mind. Peace inside ourselves and at home and it's naturally allow us to be serene and peaceful in and out of the world. Every one of us wants peace but no one exactly knows how to achieve it. Another important way brings harmony in the world. We most be educated, in able to understand every situations of course to avoid conflict. we as people stay away from other issues and concentrate on our own daily activities. An empty mind is a room of bad and negative thoughts. Such as negative thoughts bring directly the people to do wrong paths. More and more arguments and clashes occur amid less an uneducated people because they do not have the sense of differentiate between right or wrong. Thus, educated people may also help to achieve world peace.

World peace is an ideal of freedom, peace, and happiness among and within all nations and/or peoples. World peace is a Utopian idea of planetary non-violence by which nations willingly cooperate, either voluntarily or by virtue of a system of governance that prevents warfare. Although the term is sometimes used to refer to a cessation of all hostility among all individuals, world peace more commonly refers to a permanent end to global and regional wars with future conflicts resolved through nonviolent means and/or the establishment of a collective security agreement backed by a military force. world peace is sometimes claimed to be the inevitable result of a certain political ideology. According to former U.S. President George W. Bush: "The march of democracy will lead to world peace." while world peace is theoretically possible, some believe that human nature inherently prevents it. This belief stems from the idea that humans are naturally violent, or that rational agents will choose to commit violent acts in certain

circumstances. Others however believe that war is not an innate part of human nature, and that this myth in fact prevents people from reaching for world peace.
