World peace is an ideal freedom, peace and happiness among and with in all nations and or peoples. World peace is a Utopian ideal of planetary non-violence by which nations willingly cooperate, either voluntarily or by virtue of a system of governance that prevents warfare.

Although the term is sometimes used to refer to cessation of all hostility among all individuals, world peace most commonly refers to a permanent and to global regional wars with future conflicts resolved through non-violent means and/or the establishment of a collective, global security agreement backed by a military force.
