UNIVERSIDAD DE ZAMBOANGA

ZAMBOANGA CITY PHILIPPINES

World Peace is a world where unconditional love was the only “law” needed.

If our world is without war, with compassion, with peace it should be means like everyone is accepted, everyone is accepted, everyone is appreciated, and everyone is included.

That would live as a family with cooperation between nations recognized that it is in their own national interest.

Peace is a gradual and wonderful event that occurs because compassionate people are inspired to help others discover the joy of peace.
