Peace is the mother of progress. Without peace, a nation cannot make any progress. So, peace is ever desirable, but nowadays if there be no peace, the whole human race will be destroyed because of modern war.

World peace can put together and all it needs is helping hands. It only takes one person to end the hate and the greed. The word peace cannot simply be written in a piece of paper but it can be seen through man's healthy actions. No matter what the flag we pledge under or salute, we are all the same. What the world need is love and understanding.
