We Filipinos want peace on Earth, and although we are lack of discipline but still we are doing our best to be disciplinarians and also Filipinos are respectful for others people like us want a peace on Earth and helping each other in every consequence come in our life.

Me, as a Filipino, yes, I observed many Filipinos are doing their best just to have a peace on Earth even I myself I already encounter that kind of problem and I need more space just to have peace on Earth. Filipinos want peace on Earth.
