Zamboanga City, Philippines

Everybody wants world peace. This is one of the most common goals of every leader in the world. Killing here and there, yelling and fighting every time we get mad and recently suicide bombing in our very own zamboanga international airport with jolo's governor Sakur Tan involved before I talk about all the crimes in this world rage, let me define first what world peace for me World Peace: an ideal of freedom. Peace and happiness among and within all nations and people. Cooperation of people either voluntarily or by a virtue of a system of governance that present warfare, as defined by the Wikipedia, Google the number one search engine also has the same definition but the main gist or to sum it all up, we only have 3 words: freedom, peace, and happiness. Having world peace is within our own reach, we just have to start with ourselves. We got to have inner peace, contentment and love ourselves. Freedom, peace and happiness can be easily attained when we finish off with our own just remember peace and happiness if we focus on ourselves too much, our own happiness the whole humanity is considered as a family. World peace starts with inner peace in us so let love one another.
